

If You Are Lost FIND A TREE !

DO NOT BE AFRAID!

You may feel alone & scared, but stay calm. Remember LOTS of people are looking for you. They want you safe.

MAKE LOTS OF NOISE!

This is your chance to make noise and not get in trouble! Blow a whistle if you have it.

MAKE YOURSELF BIG!

You want to be seen. If you are near a field, find a tree on the edge of the field.

STAY WITH PEOPLE!

Can you see your grown-ups?
If not, stop and call to them!

Don't Forget to Bring:

- Jacket
- Whistle
- Water
- Trash Bag (for shelter)

DON'T WORRY ABOUT ANIMALS!

Animals will be scared of you! If you hear an animal, blow your whistle. It will let the animal know to stay away.

DO NOT LEAVE YOUR TREE!

- Technical Mountain Search & Rescue
- Safety Education
- Disaster Response

The Rocky Mountain Rescue Group is an all volunteer team that performs mountain search and rescue operations in Boulder County. We respond 24 hours a day, 365 days a year. We are also committed to providing safety education to our customers, the tax payers of Boulder County. For more outdoor safety information, see our website: www.RockyMountainRescue.org
